What to do before you begin to dig!!!

Always call 811 before you start digging, whether planting a tree or building a deck. You can avoid a serious accident. It is free and can give you peace of mind to know where underground lines are located in your yard. The utility company will send someone out to mark your yard and you can then safely begin your project.

Illinois University Edwardsville and will close to applicants at 11:59 p.m. CST, on the posting end date of 3/20/2020.
